**Alfredo Guarisco**  
Application Consultant and  
Business Analyst at  
Capgemini

November 17, 2015, Alfredo  
worked with Fabrizio in different  
groups

Fabrizio has a very professional attitude to his daily tasks and involves a lot of himself in his professional life and in every activity he undertakes. He usually makes a clear difference.

**Sushil Hadge**  
AVP at Barclays

October 16, 2015, Fabrizio  
worked with Sushil in the same  
group

I have worked with Fabrizio in the CRFS project. Fabrizio is a detail-oriented person and has a good technical know-how of the objects he handles in the project. Specification documents he created in the project were clear and concise and he was able to resolve all the technical queries/issues quickly. The output quality of the objects he handles is high and seldom any issues come in that. It was nice working with him and I wish him all the best for his future assignments.

**cataldo caputo**  
DOTTORE  
COMMERCIALISTA

October 12, 2015, cataldo  
managed Fabrizio directly

Fabrizio is a motivated and enthusiastic employee, he sided me in CPA fiscal and statutory activities for a variety of SMEs. I was impressed by his aptitude for learning, working and vocational training.

He was responsible for accounting Payable and Receivables, he assisted me in the preparation of financial statements, Income Statements, Balance Sheets, Cash Flows, MD&As, Notes and Income Tax calculations. I believe he is an eager, clever and qualified employee. I'm available for providing additional information
